DESIGNERS

FROM VISION TO VEHICLE

As Magna International of America, Inc., we're a part of Magna's Cosma Body & Chassis Systems, which was named GM's Worldwide Top Supplier honor in 1994. A key factor in our success has been the enthusiasm and high energy of our employees, who are encouraged to participate in decision-making throughout each project.

Automotive Designers

The following outstanding opportunities are currently available for experienced automotive design professionals.

- CCS Designers (Clays & Attachments) for
  - door structure & hardware
  - interior trim panels
  - front and sheet metal structures

  Successful candidates will have 2+ years experience in the automotive field and knowledge of body sheet metal, components, tool, etc. Reply Code CCS.
- Layout Design (Attachments)
  Requirements include a background of 3+ years of automotive design and a knowledge of materials and components. Reply Code LD.
- Design Checker
  You 3 or more years working with GM Truck & Bus standards will qualify you for this position. Reply Code DC.

We offer stability, technical challenge and highly competitive salary and benefits. For confidential consideration, please send resume and salary history indicating selected Reply Code to: Human Resources Manager, Intros Int'l of America, Inc., 1827 Maple Rd., Troy, MI 48083, FAX (810) 689-6197.
