Assembly

MANAGER OF ASSEMBLY OPERATIONS
We are a major manufacturer of sophisticated high-speed assembly machinery, known throughout the industry for our creativity and ability to produce a quality product on schedule. Our continuous growth over the last several years has been phenomenal.
We are currently seeking a MANAGER OF ASSEMBLY OPERATIONS. This position will be responsible for managing the overall assembly operation of sophisticated high-speed assembly machines.
The qualified candidate will be an aggressive hands-on type person with 10+ years experience in a job shop environment and possess a strong tool & die and metal cutting technology background. Must be able to coordinate all assembly activities through a successful delegation and customer acceptance of equipment. Direct experience in the building of custom machinery A MUST. Must also be able to manage and motivate a large group of highly skilled machine builders and have excellent communication and organizational skills.
We offer an excellent starting salary along with a comprehensive benefit package which includes health, dental, vision, life insurance, a 401(k), profit sharing and cash bonus plan. If you meet our qualifications, send your resume along with salary history to: Human Resources, Mid-West Automation Systems Inc., 1400 Busch Parkway, Buffalo Grove, IL 60089-4505. An Equal Opportunity Employer
