COMMUNITY MENTAL HEALTH EXECUTIVE DIRECTOR

The Detroit-Wayne County Community Mental Health Board is seeking an exceptional candidate for the position of Executive Director of this consolidated county-city, comprehensive public mental health and substance abuse agency. Given a budget of approximately $344 million, this position requires administration of a full continuum of mental health services for persons of all ages with diverse ethnic and cultural experiences in a large, urban area. These services are provided through contracts with private, non-profit organizations, units of government, community-based hospitals and state hospitals.

The successful candidate must provide evidence of the administrative and managerial skills attendant to hiring, orientation, training, evaluating, supervising, commending, disciplining and maintaining a multi-disciplinary staff which provides technical assistance to a broad array of service providers. The Detroit-Wayne County Community Mental Health Board provides planning, budgeting, implementing, coordinating, monitoring and evaluating service programs in an at-risk, managed-care, fiscally-accountable environment. The successful candidate will report to a Board of Directors whose members are appointed by the Wayne County Executive and the Mayor of the City of Detroit. In addition, the Executive Director must demonstrate competency in directly supervising the Deputy Director, Assistant Corporation Counsel-Principal Attorney, Director of the Office of Recipient Rights, Office Manager, and related support staff. It is essential that the Executive Director be capable of participating in a variety of coalitions, collaboratives, professional organizations, and public and private partnerships; and consulting with representatives of the Department of Community Health, other units of local, state and federal government, and various departments and representatives of Wayne County Government.

Qualifications

The following are the minimum qualifications for the position as set forth in the Department of Mental Health Administrative Rule 330.2081:

"Rule 2081:(1) The county director of a county community mental health program shall meet the education and experience requirements specified in either of the following provisions:

(a
