Accountant
Cost Accountant
Franklin Bank is an innovative mortgage banking organization providing superior services with a personal touch to the small business customer. Our unique style of doing business generates a creative new position.
Closing out each product line will be the first order of business, while determining customer profitability is the bottom line. Working with this position, there is great opportunity for you to implement your own ideas and suggestions. We require 3 years cost accounting experience with a manufacturing company, performing production costing analyses.
We offer competitive compensation, no cost benefit programs, and potential development opportunities. Send your resume to Employee Services
