## MARRIED AT ANN ARBOR

Harley Warner Made Good at Fort Sheridan, and Was Given a Commission.

Lieutenant Harley D. Warner arrived home from Fort Sheridan, Ills., Wednesday evening, and on Thursday, in company with his parents, Ex-Gov. and Mrs. F. M. Warner, Miss Nina Warner and Edgar Pierce, went to Ann Arbor where he was married to Miss Dorothy Slocum. The ceremony was performed at the home of the bride, and witnessed by the immediate relatives of the contracting parties. Mr. and Mrs. Warner left for Detroit last evening, taking a boat from there for the east, Mr. Warner having received notice to report for duty at once at Utica, N. Y.

The many friends in this village and vicinity will extend Lieut. and Mrs. Warner their warmest congratulations for a happy and prosperous future, in which the Enterprise joins.

Among the many young men who enlisted at the call of the government for young men to train for officers' positions, Harley Warner, youngest son of Ex-Governor and Mrs. F. M. Warner, of this village, was one of the first to answer the call; and last week was given a commission as first lieutenant of the ordnance department of the U. S. army.

Twenty other Oakland county young men were granted commissions in the various departments of army service. These young men will take their places in the training of the draft army recently drawn for service, having taken a thorough course in military tactics during their stay at Fort Sheridan.

It was expected they would be granted two weeks' vacation before entering upon their new duties, but Mr. Warner received notice to report for duty before he had reached home.

## Wrecked Car.

Last Thursday night as three Detroit parties were driving along Grand River, near Louis Sallow's place, they struck a hog, and their machine, a Ford roadster, turned two complete somersaults.

It is said the parties were driving at a high rate of speed, without lights and did not see the animal, which was killed by the impact, the three men escaping with but slight injury.

The Park garage was called and to send out, which it was found the machine was badly wrecked, one rear wheel being smashed, the top, body and fenders twisted and broken.

## FROM OUR EXCHANGES

Newsy Items Taken From Other Papers in and About the County.

The editor of the Farmington Enterprise in his capacity as a live newspaper man, is advocating a movement for Saturday evening band concerts in that pretty village.—Northville Record.

Frank Heath, who for 10 years started the horse races at the Redford fair, committed suicide at his home at Fenton last Saturday. He was a man of wealth, and his act is a mystery.—Redford Record.

A little more energetic action in curbing auto speeders will also help to save the damage done Oakland county roads. It's the forty-milers who dig up, rut and ruin our county roads. And then speeding is spent upon the roads where the arrest was made would help some.—Oxford Leader.

The farm barn of John Ball, who lives three miles north of the village, burned last Friday night, the cause, it is thought, being spontaneous combustion. The entire hay crop for the year was in the building and was destroyed, with the implements and one horse. Fortunately, the wheat crop had not yet been taken to the barn.—Rochester Era.

Last Wednesday night burglars broke into O. F. Beyers's drug store in North Village. They entered through a basement window and smashing the large door leading entrance to the store. Quite a sum of money was taken, also stamps, jewelry, kodaks and other articles. Mr. Beyer is unable at the present time to estimate his loss, as things were left in confusion. They also broke one of the large doors leading into the photograph room. Mr. Beyer not only regrets the loss of the articles taken, but feels very badly about the damage done his new store building. This is the second time within the past few weeks that Plymouth has been visited by burglars.—Plymouth Mail.
