VOICE MAIL DIRECTORY

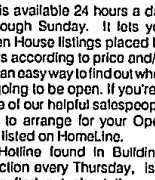
Your 24-Hour Voice Information Connection

After Hours Classified Advertising:
591-0900
644-1070

Voice Mail® allows you to place your Observer & Eccentric Classified ad from your touch-tone telephone anytime!

You may place, change, or cancel an ad at any time. Just call us at the appropriate classified number, and listen as the operator guides you through the steps to change or place your ad. Have in mind the exact information you want to give us, speak clearly and a bit slower than you usually do.

If it's after 5 p.m. on Tuesday, your changes will be made for the following Monday paper. If it's after five on Friday or the weekend, your changes will made in time for Thursday's editions.



AdSitter:
953-2040

It's always in, even when you're out. When you add Ad Sitter to your ad, Voice Mail® allows you get messages and responses when you're not at home to answer the telephone.

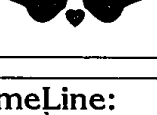
Up to 50 messages can be stored for you for seven days in your personal Voice Mail® box. Take the wear and tear out of dealing with your ad responses with Ad Sitter. Eliminate those dinner interruptions or early morning calls. To add AdSitter to your own ad, call 591-0900 or 611-1070.

Personal Scene:
1-900-454-8088

Available 24 hours a day, this popular new directory lets you easily respond to a Personal Scene ad.

Call 1-900-454-8088 for only $1.49 per minute and when the system answers, follow the easy instructions (be sure you have the 5-digit number that appears in the ad you've selected) and be ready to leave a message if you think you've found someone you'd like to meet.

To place your own free five-line ad, call 591-0900 or 644-1070 today.



HomeLine: and Builders' Hotline
953-2020

Homeline is available 24 hours a day Tuesday through Sunday. It lets you listen to Open House listings placed by local Realtors according to price and/or location. It's an easy way to find out when homes are going to be open. If you're a Realtor®, one of our helpful salespeople will be glad to arrange for your Open House to be listed on HomeLine.

Builders' Hotline found in Building/Business section every Thursday, is a great way to find out about the new construction in your area. Call 953-2020 and use the Hotline number to get detailed information about new home and condo construction.
