MACHINE TOOL BUILDERS/MAINTENANCE

A high volume Southeastern Oakland County manufacturer of machined castings is seeking applicants available to work any assigned shift in our maintenance/machine building department for the following positions:

MACHINE TOOL/INDUSTRIAL ELECTRICIAN — GENERAL MACHINE TOOL BUILDERS

The selected candidates will be building some new and maintaining and repairing currently operating automated machining systems (rotary dial machines, transfer line equipment and flexible machine) that utilize programmable logic controllers, computerized diagnostic systems, variable speed motor drives, and electronic test equipment. Troubleshooting skills a must. These are not project positions.

Electrician must have some familiarity with T.I., G.E. and/or Allen Bradley programmable logic controllers.

Mechanical Tech must have expertise in mechanical, hydraulic, pneumatic and lubrication systems. Machine building and pipe fitting skills are desirable.

A drug-free, equal opportunity employer offering competitive wages and benefits. Please send a handwritten letter expressing interest along with a resume and wage history to:
