Don't get mud on your shoes

. . .until you've called our new

BUILDERS HOT LINE DIRECTORY

It's worth a little mud to find the right new home, but why not check out what's happening in the new home construction business before you trek out into the building fields?

All you have to do is call our new Builders Hot Line Directory number from your touch-tone telephone and take a "talking" tour of what's being offered. A lot of builders plan to include their Hot Line numbers right in their ads, so if you should see an interesting advertisement in the Real Estate section of our classifieds look for the builder's Hot Line number there, too.

Remember, before you travel into unknown territory, check our new BUILDERS HOT LINE DIRECTORY by calling

Call

953-2020

from your touch-tone telephone for the latest information on area open houses and new housing developments. This is our HomeLine service and it makes buying or selling a home so easy!
