Introducing the features that can introduce you to someone special.

ADVERTISER MATCH™
Advertiser Match lets you know when you place an ad – if there are other advertisers out there who are just your type. All you need to do is answer a few simple questions when you record your voice greeting and this new feature will immediately direct you to other advertisers who meet your criteria. Then, just call 1-900-773-6789 (Call costs $1.95 per minute. Must be 18 or older) to hear their voice greetings. The best part is, each time you call to hear responses to your ad, Advertiser Match will direct you to any new advertisers who meet your criteria.

AUTO-BROWSE™
When you call and respond to a specific ad, this new feature will automatically let you know if there are other advertisers with the same profile. Then once you've left your first greeting, you can listen to as many of the other ads as you wish. Just think about it... with Auto Browse, you'll never have to worry about the one who got away!
