COMPUTING SERVICES MANAGER
The Michigan Small Business Development Center, a statewide partnership among Wayne State University, the U.S. Small Business Administration, and local sponsors, seeks a Computing Services Manager. This individual will provide hardware, software, and communications support to a network of diverse counseling/training centers located throughout Michigan, will provide data reports, analyses, and archival files for the administrative office, the federal government, and the network of centers, and will otherwise provide computing and data handling leadership to the organization in conjunction with the Computing & Information Technology division of Wayne State University.
The Computing Services Manager must possess training and some experience with management of a LAN, experience in managing the efforts of others to meet group goals, fluency in the use of current word-processing, spreadsheet, and data management software; working knowledge of both DOS and Macintosh platforms; and familiarity with the fundamentals of advanced programming languages.
Other minimum qualifications include a degree in Computer Science, Management Information Systems, or the equivalent education and experience; at least 3 years experience in networking applications as they apply to a dynamic and decentralized organization; and some experience with Novell Netware.
Interested candidates should submit a chronological resume with at least 3 professional references to:
Employment Services
Wayne State University
100 Administration Bldg. Rm 265
Detroit, MI 48202
Attn: Position #106
Resumes must be received by Friday, December 16 to be considered.
In addition to good benefits and tuition assistance, the position offers a starting salary expected to be in the $31,000-$35,000 range. The position is immediately available.
Wayne State University
Wayne State University is an equal opportunity/affirmative action employer. All buildings, structures, and vehicles at Wayne State University are smoke-free.

Seeking customer-service oriented individual with 1 to 3 years experience dealing with electronic bulletin boards, PC's, telecommunications, and fax applications.
Must have an associates degree in computer science or related field, excellent communication skills and working knowledge of information services technical capabilities.
This person will assist in the implementation, installation and user support phases of information projects, provide support to product users, prepare and give formal presentations on products, conduct user surveys and prepare various reports. We offer an exciting work environment, excellent salary and fringe benefits package.
Call Jeanette at (313)955-5277
Deadline is 12/15/94.
