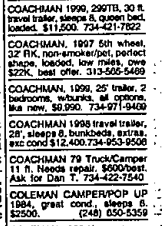
Michigan Humane Society
ADOPT-A-PET
This Week's Featured Pet

Jag is a handsome one and a half-year-old Border Collie male who was discovered wandering around stray on the streets of Westland. He has a longer haired black and white coat and a friendly personality. In addition, he is a very active and confident dog who is highly alert with his surroundings. Due to his level of activeness, he is recommended to be adopted into a family with older children (preferably 10 years and up). This is one smart pooch who already knows how to "sit" and is eager to work for treats!



To make Jag a member of your family, visit the Michigan Humane Society Westland Shelter, (734) 721-7300
