# Greenfield Village musters car collectors

Steer into the past lane for a sentimental journey during Motor Muster June 17-18 at Greenfield Village in Dearborn.

From the creme de la chrome of the 1930s to the fin-tastic fantasy machines of the 1960s, this gathering of collectors from across the national features 500 vehicles including cars, trucks, bikes and motorcycles.

Vintage vehicles cruise through Village streets for a narrated pass-in-review, offering a chance to learn more about automotive history, design and restoration from nationally recognized experts.

When they're not parading, the vehicles will be on display for tours. Visitors can also meet the collectors.

Children can try toys their parents and grandparents enjoyed, including hula hoops and pogo sticks. Each day concludes with the Popular Choice awards. Visitors can vote for their favorites, and watch the winners make a "victory lap."

Motor Muster marks the beginning of Greenfield Village's Summer Festival, June 17 to Aug. 21.

Visitors can meet George Washington Carver and learn how his ingenuity unlocked a miracle in a nutshell.

A new presentation shows how playing with toys and riding bikes helped the Wright Brothers solve the mysteries of powered flight. Summer Festival also offers craft demonstrations and make-and-take activities.

Henry Ford Museum & Greenfield Village are assessable via I-75, I-94, Southfield Freeway and Michigan Ave. Hours are 9 a.m. to 5 p.m. Call (313) 271-1976 or 1-800-835-5237 for visitor information.
