To the Editor:

The undersigned Ministers of Oakland County, for the benefit and welfare of Oakland County voters, beg to warn them that the Black Legion is still alive and that it will again spring up if given any encouragement.

Hon. George B. Hartrick, in his Grand Jury report on record in the County Clerk's office, describes the illicit purposes and crimes of the organization. In his findings he states that persons becoming members were obliged to take oath that they would "follow in the footsteps of the guerilla band which roved the South, fighting with whatever weapons come into our hands. We regard as enemies to ourselves and our country, all aliens, Negroes, Jews, cults and creeds believing in racial equality . . ." Judge Hartrick's report further states that Donald C. Porritt, who is now Republican candidate for Probate Judge of Oakland County, became one of the members of this organization and took the above mentioned oath, while being paid as Assistant Prosecutor to enforce our laws.

Because of the unethical, un-American and Un-Christian principles upon which the Black Legion was founded, and because of the hatred and prejudice which must exist in the hearts of those who joined it, and for the good of humanity, we do hereby earnestly beseech the voters of Oakland County to refrain from nominating Donald C. Porritt to the high and important County Office of Probate and Juvenile Judge on September 13th.
