H&R BLOCK Offers Tax School In Your Neighborhood

Thousands of people are learning the skill in income tax preparation from H&R Block and are earning money as income tax preparers.

H&R Block's Income tax course starts this week with morning, evening and Saturday classes available. Classes will be offered at many convenient area locations.

During the 11 week course, students will study all phases of income tax preparation and receive actual experience in preparing individual returns.

Experienced Block Instructors will teach current laws, theory and application, as practiced in Block offices nationwide. There is a classroom discussion on each subject and practice problems at every level.

Courses are programmed to teach students increasingly complex tax problems as study progresses. Students will find the course both interesting and challenging.

Courses are ideally suited for people who want to increase their tax knowledge and learn how to save money on taxes or who are looking for a rewarding career. No prerequisites are required to enroll.

Qualified course graduates may be offered job interviews for positions with Block. Many accept employment with Block because of the flexible hours available. However, Block is under no obligation to offer employment, nor are graduates under any obligation to accept employment with H&R Block.

One low course fee includes all textbooks, supplies and tax forms necessary for the completion of the course. Mastercard, Visa, American Express and Discover cards are accepted or a time payment plan is available.

Registration forms and a brochure for the income tax course may be obtained by calling H&R Block at 1-800-TAX-2000.
