Proposed Farmington Township Zoning Ordinance

Article Part Section

I General 1-8
A General Provisions - 1-5
Districts, list of 1
Map Zoning, part of Ordinance 2
Ordinance, application of 3
Uses, non-conforming, continuance of 3
Conflicts of provisions, how resolved 4
Reasonableness, doctrine of 5
B Amendments 6-8
Amendments, how to be made .. 6
District boundary lines, how changed 7
Restrictions, increasing, effect of on lesser restrictions 8
II Administration 9-53
A General 9-14
Ordinance binding on all officials 9
Financing administration 10
Zoning Inspector-Administrator of Ordinance 11
Zoning Inspector, duties of 12-14
B Building Permits, application for 15-29
Permits, when necessary 15
Permits, how to apply for 16
Permits, information contained in 17
Plans and specifications 18-20
Permits plans and specifications, review of by Zoning Inspector, ... 21
Not to be changed once approved 22
Permits, how issued 22
Permits, when may be revoked 23-25
Permits, temporary, when may be issued 26-27
Occupancy, certificate of 28
When necessary 28-29
Inspection, final 28
C Certificates of compliance and occupancy, application for 30-37
Certificates of compliance and occupancy, when necessary 30
Certificate of Compliance, when applied for 31
When issued .. 32-33
Inspection, final, for 33
Certificate of Compliance, when not required .. 34
Certificate of Occupancy, Interim 35
Accessory uses, when certificates not required for 36
Failure to apply for any Certificate of Compliance or Occupancy, effect of 37
D Inspections 38-41
Number required and when made 38,40-41
When application must be made for 39
Effect of failure to apply for 39
E Non-Conforming Uses 42-43
Definition of .. 42
When permitted 42
List of, to be prepared by Zoning Board 42
Extension of .. 43
Destruction of, when may be restored and continued 43
F Completion and restoration of Existing buildings 44-46
Non-conforming buildings commenced before ordinance becomes effective 44-45
Non-conforming buildings, repair of 46
G Fees for Permits and Certificates 47-53
Collection, receipt and accounting for 47
To be fixed by The Township Board 48
Effect of construction before paid 49
Method of computing cubic volume of building 50
Refunds of 51
Deposits required for moving buildings 52
When not changed 53
For duplicates . 53
III Enforcement 54-60
A Zoning Inspector, powers of 54-56
May stop unsafe work 54-56
When may order use and occupancy discontinued 55
Condemnation of buildings 56
Procedures relative to 56
B Violations and Penalties 57-60
Violation, a nuisance and abatement thereof .. 57
Who may be guilty of 58
Penalties to be imposed 59
Zoning Inspector, has full police authority to enforce ordinance 60

A Board of Appeals, Establishment and organization 61-71
Appointment of members, and officers, compensation of, duties of officers 61-66, 69-70
Meetings of, time and place 67-68
Quorum 71
B Appeals to the Board of Appeals 72-77
From decision of Zoning Inspector 72-73
How appeals are to be made .. 74
Stay, effect of appeal 75
Who may make .. 76
Board of, to make own rules 77
C Powers of Board of Appeals-General 78-85
May order review any matter .. 78
Special exceptions 79
Variances 79
May make advisory decision .. 80
Scope of action on application .. 81, 85
Vote necessary for action 82
Powers specified in ordinance . 83
When additional uses may be permitted 84
D Powers of the Board of Appeals — Public Hearings 86-87
When hearings are to be held 86
How hearings are to be advertised 86
How hearings are to be conducted 87
E Powers of the Board of Appeals — Non-Conforming Uses 88-93
Resumption after destruction .. 88
Extent of destruction 88
Resumption of vacated use 89
When such certificates are to be revoked, and how 90
Temporary Certificates, when may be issued and purposes of 91
May be renewable 92
When such uses may be permitted to cross district boundary lines 93
F Powers of the Board of Appeals — Zoning Map 94-95
Interpretation of uncertain district boundaries 94
Extension of use over a district boundary line, when and how permitted 95
V Petitions 96-100
Form of, necessary information, how must be signed, who may sign .. 96
Where and how filed and acknowledged 97
Time for filing .. 98, 100
Board of Appeals may hold hearings on 99
VI Definitions 101-175
(Definitions of important terms used in the ordinance are arranged in alphabetical order in this article and may be easily found. With a few exceptions each section (101-175 incl.) is given over to one definition.)
VII General provisions applying to all districts 176-220
A Open Spaces Inalienable 176-177
Overlapping of open spaces not permitted 176
Method of reconciling conflicts in ordinance relative to all required open spaces 177
B Light, Air and Ventilation 178-179
Use of open spaces for 178
Reasonable direct sky lighting not to be blocked by any structure 179
C New Plattings, Replattings and Subdivisions . 180-181
Conditions that must be complied with for new plattings and new subdivisions 180
Minimum areas and dimensions for new lots in Residence Districts 181
D Buildings on Unplatted areas .. 182-183
Minimum open spaces for principal structures 182
Same for accessory buildings 183
E Projections into Required open spaces 184-196
Specific projections prohibited 184
Bay window, when may project .. 185
Eaves, cornices, belt courses, chimneys, cupolas and awnings, minimum projections of and conditions 186
Terraces, minimum projection 187
Steps, minimum projection 188
Balconies, minimum projection 189
Platforms, minimum projection 190
Porches, minimum projection and conditions 191
Porte-cochere, projection and conditions of 192
Sun Parlors and Garages, projection prohibited 193
Fences and Walls, where may project 195
Permitted projections, alteration of prohibited .. 196
F Signs and Billboards 197-203
Signs, function of and how may be used 197
Billboards, where and how permitted 198
Signs placed by public authority, purpose 199
Same, by public utility 199
Signs, not to impair safety .. 200
Signs, lighted .. 200
Signs, over public walks and highways .. 201
Temporary signs, permit for 202
Signs, movable .. 203
G Accessory Buildings in Required open spaces 204-208
Limitations for various districts 204
Accessory buildings, when considered principal structures 205
Same, side yards for 206
Accessory buildings in front yards, when and how permitted . 207
Open spaces for non-fireproof accessory buildings 208
Accessory buildings, eaves troughs and down spouts, when required 208
H Accessibility of Lots 209
Rule for Computing width of thorofare to lots not on public thorofare 209
I Miscellaneous provisions Applying to all Districts 210-220
Location of stables, hutches, poultry houses, etc. 210
Basements, when counted in building height .. 211
Balustrade or skirting, maximum height of 212
Reduction of lot size, when prohibited 213
Basements and cellars, number permitted on each lot 214
Non restrictive uses in less restricted districts, when required 215
Uses prohibited in all Districts, with exceptions 216-219
Ratio of lot occupancy to floor area inalienable 220
VIII Residence Districts . 221-263
A Uses of property in Residence Districts - General 221-224
Classification of provisions in this article .. 221
Application of provisions in the case of small and/or odd shaped lots .. 222
Uses prohibited in Residence Districts 223
Accessory uses not specified in this Article, when and how permitted 224
B Permitted Principal uses in a Residence A District 225-226
Dwelling, kind of permitted 225
Renting of rooms and boarding . 226
C Permitted Accessory uses in a Residence A District 227-234
Dwelling for employees 227
Studios in private homes 228
Private Garages 229
Gardening and fruit growing . 230
Keeping poultry 231
Private stable .. 232
Signs 233
Other accessory uses 234
D Uses in Residence A Districts requiring approval of Board of Appeals 235-247
Churches, schools and accessory buildings .. 235,237-239
Libraries and Art Galleries 236
Residential Clubs 240
Two-family homes 241
Storage garage . 242
Community garage 243
Transformer stations 244
Small animals . 245
Private Stable .. 246
Other comparable uses 247
E Permitted Principal uses in a Residence B District 248-253
Residence A uses 248
Dwellings 249
Nurseries and Greenhouses .. 250
Lodges, private clubs, etc. 251
Community building 252
Public Park 253
F Permitted Accessory uses in a Residence B District 254-258
Residence A Accessory uses .. 254
Medical, professional, etc. 255
Private garage . 256
Signs 257
Other comparable uses 258
G Uses in Residence B Districts Requiring approval of Board of Appeals 259-263
Two-family homes 259
Community garage 260
Clubs, lodges, community buildings, etc. 261-262
Other uses 263
IX Building Height, proportion of lot area coverage, and open space requirements and regulations in Residence A and B Districts 264-283
A Heights of buildings
Rule for computing maximum height in Residence A Districts 264
Same, Residence B Districts 265
Parts of buildings which may exceed maximum height 266
B Maximum percentage of lot occupancy in Residence Districts 267-269
For Residence A and B Districts on lots of record before ordinance becomes effective 267
Same, on lots after ordinance becomes effective 268
Application to certain shafts and openings 269
C Front Yard Requirements and Regulations in Residence Districts 270-274
Rules for computing depth 270-271
Exceptions for shallow lots .. 272
Rule for computing depth for high buildings 273
Exceptions for certain cases 274
D Side Yard Requirements and Regulations for Residence Districts 275-280
General rule ... 275
Exceptions for narrow lots 276
Special rule for dormitories, convents, etc. 277
Special rule for places of public assembly 278
Rule for computing side yards for high buildings 279
On street side of corner lots .. 280
E Rear-yard Requirements and Requirements in Residence Districts 281-282
General rule ... 281
Rule for rear yards abutting on a street 282
F Courts in Residence Districts 283
Rule for computing size of all inner and outer courts 283
X Commercial Districts 284-322
A Uses of Property in Commercial Districts 284-286
General Application of provisions 284-285
Uses permitted other than those specified in this Article 286
B Permitted Principal Uses in A Commercial A District 287-296
Principal uses permitted in Residence Districts 287
Hotels, Restaurants 288
Retail, professional and business uses 289
Offices and showrooms of certain trades and crafts 290
Bakery 291
Ice distribution station 292
Milk distribution station 293
Amusement and recreation 294
Public utility offices and exchanges 295
Other comparable uses 296
Limitation on steam pressure and horsepower 296
C Permitted Accessory uses in a Commercial A District 297-300
Accessory uses permitted in Residence Districts 297
Signs, advertising 298
Storage garage .. 299
Other comparable uses 300
D Uses in Commercial A Districts requiring approval of the Board of Appeals 301-305
Stables for incidental uses 301
Storage garage .. 302
Repair and storage facilities for incidental use . 303
Bus and freight stations 304
Other comparable uses 305
E Permitted Principal uses in a Commercial B District 306-309
Principal uses permitted in any Residence and Commercial A Districts 306
Warehouses 307
Lumber and coal yards 308
Milk distribution station 309
F Permitted Accessory uses in a Commercial B District 310-315
Accessory uses permitted in Residence and Commercial B Districts 310
Signs 311
Storage garage . 312
Stables for incidental use 313
Repair or storage facilities for incidental use . 314
Other comparable uses 315
G Uses in Commercial B Districts Requiring approval of the Board of Appeals 316-322
Public or Private stable 316
Veterinary Clinic 317
Amusement Park 318
Railroad Station 319
Bus or freight station 320
Other comparable uses 321-322
XI Building height, proportion of lot area coverage and open space requirements in Commercial Districts 323-338
A Heights of buildings 323-324
Maximum height and lot coverage 323
Towers, spires, etc., rule for . 324
B Ratio of Gross floor area to lot area 325
Rule for computing such ratio 325
C Front Yards 326-327
When required and not required . 326
Minimum for, when provided . 327
D Side Yards 328-330
Not required, exceptions 328
Rule for interior lots 329
When required on street side of corner lots 330
E Rear Yards 331-333
Not required, exceptions 331
When required, when not required 332
For rear of lots abutting upon streets 333
F Courts 334-338
Outer courts, when required 334
Widths of outer courts 335
Lengths of outer courts 336
Inner courts, when required 337
Sizes of inner courts, rule for 338
XII Apartment Dwellings and apartments 339-369
Permission of Board of Appeals required for 339
Districts where such may be erected 339
Restriction on height 340
Rule for computing minimum open spaces 341
Parking space required 342
Inner courts, not permitted 343
Outer courts, rule for computing dimensions of 344
Front yard, minimum required . 345
Side yards, rule for computing minimum requirement 346
Rear yard, minimum required 347
Rear yard, rule for when abutting upon a street 347
Step-Backs, rule for computing 348
Floor area per apartment, minimum, rule for computing 349
Cubic content per apartment, minimum required . 350
Projections, when may be permitted 351
Height, open space and area regulations are exceptions in the District 352
Other buildings, when may be used as Apartment Dwellings 353-355
Water supply and sanitation 356
Central heating plant required . 357
Cubic content and floor area, minimum required per apartment . 358
Other regulations, may be required 359
XIII Industrial Districts 360-392
A Uses of Property in Commercial Districts 360-366
General application of provisions 360
Accessory uses, non-industrial, where permitted 361
Cemeteries and crematories .. 362
Signs and advertising 363
Uses normal to other districts, when permitted in Industrial District 364
Industrial activities, how must be conducted . 365
Parking space required 366
B Permitted principal uses in an Industrial A District 367-370
Rules for application of such uses 367
Specified principal uses 368
Public utility, uses by 369
Public Parks 370
C Permitted accessory uses in an Industrial A District 371-374
Certain accessory uses as permitted in other districts 371
Repair, service, storage, etc., uses when incidental 372
Gas tanks, oil, fuel supplies when incidental 373
Other comparable uses 374
D Uses in Industrial A Districts requiring approval of Board of Appeals 375-381
Storage garage . 375
Airports 376
Junk and auto wrecking yards 377
Specified manufacturing 378
Amusement park 379
Sand, gravel pits, rock crushers 380
Other comparable uses 381
E Permitted Principal uses in an Industrial B District 382-384
Permitted uses normal to other districts 382
Certain specified permitted uses 383-384
F Permitted Accessory uses in an Industrial B District 385-387
Certain accessory uses normal to other Districts 385
Storage garage . 386
Other comparable uses 387
G Uses in Industrial B Districts requiring approval of the Board of Appeals 388-392
Junk and auto wrecking yards 388
Sand and gravel pits, rock crushers 389
Certain specified uses requiring public hearing 390
Certain specified uses not requiring public hearing 391
Other comparable uses 392
XIV Building height, proportion of lot area coverage and open space requirements and regulations in Industrial Districts 393-412
A Heights of buildings 393-395
Maximum height and lot coverage 393
Towers, spires, etc., maximum height 394
Special exceptions for height, rule for 395
B Ratio of Gross floor area to lot area 396
Rule for determining ratio 396
C Front Yards 397-401
Minimum depth . 397
Exceptions due to existing buildings 398
Exceptions for shallow lots .. 399
Exceptions for high buildings 400
Exceptions, miscellaneous 401
D Side Yards 402-407
Rule for computing minimum 402
Exceptions for narrow lots 403
Rule for dormitories, convents, etc. 404
Rule for places of public assembly 405
Rule for computing, for high buildings 406
Street side of corner lots 407
E Rear Yards 408-410
Rule for computing 408
Rule for computing, for high buildings 409
When abutting upon a street .. 410
F Courts 411
Rule for, general 411
G Industrial Buildings near District Boundary lines 412
Minimum required open space 412
XV Farm Districts .. 413-479
A Use of property in Industrial Districts 413-419
General application of provisions 413
Single family dwellings 414
Rule for accessory uses 415
Certain animals prohibited in Residential Farm Districts 416
Cemeteries and crematories .. 417
Slaughtering fowls and animals, when and how permitted 418
Restrictions to be applied for residence uses 419
B Permitted Principal uses in a Residential Farm District 420-427
Single family dwelling, minimum lot coverage and lot size for .. 420
Convalescent home 421
Churches, libraries, public schools 422-424
Rooming and boarding places 425
Private schools . 426
Clubs, community buildings, etc. . 427
C Permitted Accessory uses in a Residential Farm District . 428-432
Farm, garden, fruit crops 428
Greenhouses, nurseries 429
Fowls, small animals, bees 430
Private garage . 431
Other specified uses 431
Other comparable uses 432
D Uses in Residential Farm Districts requiring approval of the Board of Appeals 433-435
Storage Garage . 433
Public parks 434
Other comparable uses 435
E Permitted Principal uses in a Small Farm District 436-437
Uses normal to other districts . 436
Hospitals, sanitiums 437
F Permitted Accessory uses in a Small Farm District 438-444
Accessory uses normal to other districts 438
Private garages .. 439
Stables 440
Barns, bins, stables, sheds, etc. 441
Horses and cows 442
Hogs and sheep 443
Other comparable uses 444
G Uses in Small Farm Districts requiring approval of the Board of Appeals 446-453
Horses and cows 445
Hogs and sheep 446
Certain male breeding animals 447
Riding clubs and stables 448
Country club . 449
Golf Course 450
Picnic grounds, tourist parks .. 451
Public utility uses 452
Other comparable uses 453
H Permitted Principal uses in a Major Farm District 454-464
Uses normal to other districts 454
Farm, garden, orchard crops .. 455
Nurseries, greenhouses 456
Fowls, small animals, bees 457
Livestock production, breeding 458
Poultry production 459
Dairy farming . 460
Country club .. 461
Golf course 462
