PUBLIC NOTICE

Re:
United Home Health Services, Inc. 2200 Canton Center Road, Suite 250 Canton, MI 48187
(313) 981-8820

The Joint Commission on Accreditation of Healthcare Organizations will conduct an accreditation survey of the transcutaneous oxygen monitor 10, 11 1996. The purpose of the survey will be to review the organization's compliance with nationally established Joint Commission standards. The survey results will be used to determine whether, and the conditions under which, a Joint Commission seal should be awarded the organization.

Joint Commission standards deal with organizational quality of care issues and the safety of the environment in which care is provided. Anyone believing that he or she has pertinent and valid information about such matters may request a public information interview prior to the Joint Commission's field representatives at the time of the survey. Information presented at the interview will be used to determine if issues need to be sent to the Joint Commission no later than five working days before the survey begins. The request must also indicate the nature of the information to be provided at the interview. Such requests should be addressed to:

Division of Accreditation
Operations
Organization Liaison
Joint Commission on Accreditation of Healthcare Organizations
One Renaissance Boulevard
Oakbrook Terrace, IL 60181

The Joint Commission will acknowledge such requests either by mail, telephone and will inform the organization of the request for any interview. The organization will, in turn, notify the interviewee of the date, time, and place of the hearing.

The notice is posted in accordance with the Joint Commission's Standards and may not be removed before the survey is completed.
