Ferguson Introduces Bill For Change In Pledge

Senator Homer Ferguson this week introduced legislation to modify the Pledge of Allegiance by adding the words "under God".

If the Ferguson proposal is adopted the Pledge would read: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation indivisible under God, with liberty and justice for all."

Sen. Ferguson said inclusion of the words "under God" would "highlight one of the real fundamental differences between the free world the Communist world, which is a belief in God."

"Our nation was founded on a fundamental belief in God and the first and most important reason for the existence of our government is to protect the God-given rights of our citizens. Communism, on the contrary, rejects the very existence of God," the Michigan senator said.

Mrs. Ferd Pieron of 33213 Orchard Street entertained the 15 members of her birthday club Saturday night, February 13.

FARMINGTON MAN NAMED PRESIDENT OF NEW CONCERN

Paul S. Calkins of 23230 Power Road, a registered professional engineer, has been named president of Emmerling, Calkins and Mortenson, Inc., architects and engineers. Other officers are Alfred C. Emmerling, architect, of Franklin, vice-president; and Peter Mortenson, Jr., registered professional engineer, of Birmingham, secretary-treasurer. Offices are at 112 Madison Avenue, Detroit. The new organization represents a merger of Mr. Emmerling's architectural practice with the engineering practice of Mr. Calkins. Mr. Mortenson was formerly a director and secretary of Boddy-Benjamin Associates, Inc., in Detroit.

Mr. Calkins, who has conducted a private consulting practice serving architects, was the structural engineer for the Birmingham High School, the Engineering Building, General Library and Kresge Science Library on the Wayne University campus, and similar projects throughout the state. He is a member of the Engineering Society of Detroit, the American Society of Civil Engineers, and the American Concrete Institute. He is a past president of the Michigan Society of Professional Engineers and currently a national director.

Mr. and Mrs. Calkins are now in Albuquerque where Mr. Calkins is attending the spring director's meeting of the National Society of Professional Engineers. They will return next Monday.

Scouts Pledge National Conservation "Good Turn"

National Wildlife Week is slated March 21 - 27, the National Wildlife Federation notes.

The week when the attention of the nation is annually turned toward problems of conservation is this year devoted to water pollution control.

The Boy Scouts of America have pledged the President to undertake as a major project for the year "a national conservation good turn." Many sportsmen and outdoor clubs are making plans to unite conservation efforts with the Scouts
