Mr. and Mrs. Robert Laughman and their son, Billy, who had been with Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman on Mayfield Avenue for the past week, returned to their home in Mishawaki, Indiana, Friday. On the way home they planned to call on relatives in Jackson. The Laughmans expect to be back in Michigan next week and are considering establishing residence in this locality.

A number of friends, especially of the Sunshine Sisters group in this locality, were cooperating in a card shower arranged to honor the April 1 birthday of Mrs. Margaret Tarreault, the Sunshine Lady. Mrs. Tarreault now resides in Pontiac.

THE MONTHS AHEAD

What happens in April will decide the course of business in September and October. So watch these signs carefully. Note how the stores do. Keep an eye on employment reports and on trends in the new and construction industries. These are some of the signs that forecast the business weather. If the figures this month look sickly, then some worsening of the situation can be expected later on.

WEST POINT PARK NEWS

MISS L. A. AULT
Phone 1416-M

Miss Shirley Sandau of Hubbard Avenue is reported quite ill.

Young friends gathered at the home of Karen Narsavage of Hubbard Avenue last Monday evening and tendered her a sixth birthday celebration. It proved a most enjoyable occasion for all.

Kathleen, two year old daughter of Mr. and Mrs. George Cooke of Albion Avenue, is quite ill with measles.

Mrs. Grace Simpson of Mayfield Avenue has been "under the weather" with an eye and throat infection.

Honoring the second birthday of her son, Tommy, and also that of Forrest Ault II, son of Mr. and Mrs. Forrest Ault Jr. of Hubbard Avenue, Mrs. Robert Kellogg gave a beautifully arranged luncheon party at her home on Filmore Avenue last Wednesday. Guests were Mrs. Arthur Gotts and her son of Northville, Mrs. Stuart Shaufler and her infant son of Detroit, Mrs. Louis Jennings and daughter Cynthia, Mrs. Forrest Ault and her son Forrest, Mrs. Arthur Muir and Mrs. V. C. Reddy. A handsome cake, bearing names of both birthday boys, was the center of attraction. Each young man received a number of pretty gifts. Luncheon was delicious. All thoroughly enjoyed this very nice affair.

Indications are that the April pick-up, scheduled for Monday, April 5, will prove much more gratifying than any collection made by Goodwill Industries in this area for several months. Apparently, housewives are quite serious in their efforts to get spring housecleaning under way.

Denny and Donna Shehuan, orphaned in an auto crash last February, have been with their mother's family, the Tuftmans. They left last week end for a visit with relatives in Jackson.

Just A Reminder

By JUDGE HARRY FARMER

Two weeks ago I told you about my experience with an automobile driver who failed to stop at Orchard Lake Road before crossing at Twelve Mile Road.

On Saturday morning I appeared as a witness before Judge Schulte and after a complete trial the accused was fined twenty-five dollars or fifteen days in jail and ten dollars costs. He paid the fine.

The other man who did the same thing, the same day, at Ten Mile Road and Orchard Lake Road paid too, without a trial; without even a chance to explain his action. He started to pay on the spot with the life of his wife, the injury of his daughter, and serious injuries to himself. He has yet to pay for the injuries and damage to the occupants of the other car involved.

For some time now I have been receiving calls in which such questions as follow have been asked: "Isn't there a dog quarantine on?" "What right have dogs to run at large?"; "What can be done to see to it that dog owners obey the quarantine?"; "Does the law give me the right to shoot a stray dog which is damaging my property?"

I have given several answers, probably none of them too good. There are arguments on both sides of this explosive question. I have heard several arguments on the side of the complainants. I would like to hear more. I would like to hear from the dog owners, too. Please write. Don't call.

Maybe I can include your letters in further contributions to this paper. Perhaps out of a public airing, a solution may be pointed out.

Looking Ahead

By DR. GEORGE S. BENSON

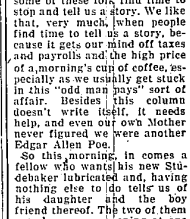
(Continued from Page 2A)

to ask of Congress — that five per cent be cut from the $65-billion budget? Of course not!

When a family has an unexpected illness that entails medical and hospital services of $200; it hasn't quite as much to spend on necessities for the next few months. Does it run to borrow money? No, usually it tightens its belt. That's what our federal government should do — tighten its belt on expenditures. The new Administration has cut from our loose-spending government some of the bloated fat, but it hasn't really tightened the belt to cope with the realities of its extremely bad financial position. It should do this, and do it at once.

Stanley Chavey, youngest son of Mr. and Mrs. Stanley Chavey of Mayfield Avenue, who has been serving with the U. S. Navy at Norfolk, Virginia, has been transferred to Rhode Island.

ROLLING DOWN THE RIVER



By Bob Kettler

Now all sorts of people come into this Studebaker Mart of ours, including customers, and some of these folk find time to stop and tell us a story. We like that, very much, when people find time to tell us a story, because it gets our mind off taxes and payrolls and the high price of a morning's cup of coffee, especially as we usually get stuck in this "odd man pays" sort of affair. Besides this column doesn't write itself, it needs help, and even our own Mother never figured we were another Edgar Allen Poe.

So this morning, in comes a fellow who wants his new Studebaker lubricated, and, having nothing else to do tells us of his daughter and the boy friend thereof. The two of them spend many an evening at one spot or another and the old man decides that maybe that's too much and speaks as follows:

"Young man, I don't like the late hours you and my daughter have been keeping. I sincerely hope and suggest that from now on you refrain from taking her to so many of those night clubs."

"Yes sir," said the suitor, "that's a good idea. Do you think if we both reasoned with her, she'd be content to stay home once in a while?"

• • •

Now perhaps the young man owned a new Studebaker and if so, we personally don't blame the young lady for wanting to ride 'round and about. The amazing power of the wonderful new V-8 engine, the comfort and ease of handling, makes everyone long for a bit of the open road. And the amazing economy of this car we sell and service makes you glad you own a Studebaker, every time you pass a gas station.

Did we ever get around to telling you of the old Marine, who, after service in Wars 1 and 2, and a bit of "police action" in Korea, was finally mustered out. His first action on becoming a civilian was to buy a tavern upstate. After ten days had passed, a couple of friends knocked on the door of his establishment and wanted to know when he planned on opening the place to the public. "Whoever said anything about the public?" roared the ex-Marine. "I bought this joint for my own personal use!"

Now with spring here please do not forget that your car will run much better if it's properly greased and oiled. Bring it in for a bit of tune-up too and be sure it's ready for action when you want to take that first spring trip.
