"Helping Others in Summer" was the topic at the last meeting of the Sunshine Sisters, held in the Neighborhood Church Wednesday, June 23. This was used as a devotional theme, illustrated by a large number of Scripture references. An article "How To Get Along With People" by Norman Vincent Peale, was read and discussed. Among those contributing to the afternoon's program were Mrs. O. R. Ault, Mrs. John Varhol and Freda Ault. Also, Mrs. M. E. Ault interestingly described Colorado Springs and The Black Hills, visited by her in a recent vacation trip. Birthday greetings were extended Mrs. Alice Varhol. Cake provided by Mary Schult was served with the customary tea.

The next Sunshine meeting will be held in the Neighborhood Church on Wednesday, July 7, at 2 p.m. "Water" will be the topic. Refreshments for the social hour will be provided by Mrs. John Varhol.

At the special Father's Day service conducted in the Neighborhood Bible School on Sunday, June 20, a group of children each made a short speech on the subject: "Fine and Good Things About My Father". Pauline Varhol, Mary Grant, Mary and Jeanie Allen and Shirley, Frankie and Linda Sandau were included among the young people taking part in this most interesting feature of the program.

Mrs. Charles A. Armstrong of Mayfield Avenue accompanied a few friends on an outing to Kensington Park Thursday.

John Allen of Mayfield Avenue was visiting his mother, Mrs. William Allen, in Detroit, on Sunday, June 20.

Herman Schult, who had been with his family on Shadyside Avenue for two weeks, returned last week end to his employment near Ellwood, Indiana. Several members of the Schult family accompanied him on the trip and, after some visiting in that section, returned home Sunday night.

Mr. and Mrs. Morgan of Flushing were recently visiting their daughter-in-law, Mrs. Stanley Morgan, at the home of her parents, Mr. and Mrs. Louis Graham of Mayfield Avenue.

Some Units At Cranbrook Will Be Open Over July 4

Although the museums of Cranbrook Academy of Art and Cranbrook Institute of Science will be closed July 4 and the following Monday, the grounds of the six institutions, Christ Church Cranbrook and the gardens of Cranbrook House will be open to visitors at the usual hours.

The gardens of Cranbrook House, open on Saturdays from 2 to 5:30 and Sundays from 2 to 6:30, will display a wide variety of annuals, including verbena, ageratum, marigold, zinnias and annual phlox.

Gardeners can head off weeds by stirring the top inch of soil with a rake or hoe after each rain.

Goodwill Industries To Make Local Pickup July 6

Goodwill Industries trucks will be in the Farmington area on Tuesday, July 6, to pick up discarded clothing, furniture and small appliances.

If you have any items to be picked up, Goodwill Industries requests that you call local representative Miss Lora Ault, 32765 Norfolk Avenue, at 1461-X, to have the truck stop at your door.

In an average of six disaster operations per week, following storms, floods, or fires, Red Cross provided emergency and rehabilitation aid to persons suffering injuries or losses.

Small Increase Recorded In Cost Of Fertilizer

While the cost of all goods and services used in farm production has increased by 132 per cent since 1935, the average cost of plant food in the form of commercial fertilizer has gone up only about 12 per cent over the same span of years, according to the National Fertilizer Association.

Official reports of the U. S. Department of Agriculture show that the cost per ton of commercial fertilizer increased by 51 per cent from 1935 to 1953. In the same period, however, the average plant food content of a ton of fertilizer also has been increased by nearly 35 per cent.

know the SCORE and you'll get a FORD

V-8 POWER	Ford alone, in the low-price field, offers a V-8 engine. Ford's 130-h.p. Y-block V-8 gives you the smoothest, most agile "Go" in its field. It's the most modern engine in the industry!
TREND-SETTING STYLING	Ford's clean modern styling is changing the trend for the entire industry. Gone are the bumps and bulges which "date" so many of the other makes. Ford styling is out front to stay!
BALL-JOINT SUSPENSION	Only Ford, in its field, offers Ball-Joint Front Suspension. No competitive car (without it) can ride so smoothly and handle so easily. Because Ford has it now—Ford will be worth more later!
MOST ADVANCED AUTOMATIC IN FIELD	Fordomatic Drive* is the only "automatic" in the low-price field that gives you the smoothness of a torque converter plus the "Go" and savings of an automatic intermediate gear.
BIGGEST CHOICE	You can have just the kind of car you want in a Ford. For Ford offers you a choice of 14 body styles in either V-8 or Six models. Ford's choice is unmatched by any other car at any price.
MOST VISIBILITY IN FIELD	Ford has the most windshield area . . . the most rear window area (full wrap-around on all closed models)...the most total glass area in its field. This adds to your safety . . . driving enjoyment, too.
MOST ADVANCED POWER ASSISTS IN FIELD	Ford's power assists* are the finest . . . include: power steering (cuts up to 75% of effort), power brakes (cut up to 1/3 of effort), power windows (on all 4), and a 4-way power front seat.
HIGHER TRADE-IN VALUE	Surveys prove Ford retains a greater proportion of its original cost at resale than any other car. This is another sample of the greater value Ford offers over competitive makes.
BEST DEALS IN 30 YEARS	Come in! Get the full score today. Ford's the winner on "deals," too. Your present car will never be worth more in trade. And you'll discover there never was a better time to deal than right now!

COME IN! FORD HAS THE TOP SCORE IN "DEALS" TOO.
