United Way

The organizations listed on this page and their employees are being recognized for their outstanding achievements in the 1998 United Way Campaign. These organizations represent those with 10 or more employees.

Thanks to their commitment and dedication, United Way donations reached out to fulfill our community's greatest needs... providing healthy, enriching opportunities for youth; providing a safe place for families who are victims of domestic violence; low-cost medicine for older adults, and training and counseling for unemployed workers.

Because of your help, United Way Community Services and more than 130 funded agencies work every day to give those in need one more reason to smile.

THANKS FOR GIVING!

Our sincerest thanks to all of the 1998 Honor Award-winning companies and organizations whose generous contributions helped United Way give hope and help to 1.5 million families in our community. This public expression of recognition is a small token of our tremendous heartfelt thanks to you and your employees for continuing to brighten the lives of others in our community.

Thanks to you there is help, there is hope, there is one more reason to smile.
