ALTHOUGH BLACKTOP work on the new city parking lot, on the south side of Grand River across from the Municipal Building, could not be completed this fall, the lot was opened to public use prior to the holiday. Christmas shoppers in the congested downtown business district made good use of the additional parking spaces. The lot provides parking for around 40 additional cars. "A long way from enough but a step in the right direction," was the comment we heard while snapping this photo.

Anyone answering ads for salesmen should understand that most firms are reputable and ethical, yet there are some which a prospective salesman should investigate carefully. A call to the Better Business Bureau is always a safe procedure. The Enterprise is not always able to check up on individuals or distributors, and warns those answering such advertisements that this is entirely their responsibility.

Northwest YW
Planning 60
Classes in 1960

Northwest YWCA announced its winter term of classes this week. More than 60 activities for men, women and children will be offered in the new year.

Most of the program is centered in the new building at 25940 Grand River, but the popular Saturday Recreation Program is at Cody High School, 18445 Cathedral. It consists of a full morning's activities, including all phases of swimming, crafts, painting, games, dancing, feasting and charm school. Girls may enroll in three or more of the classes, depending upon their swimming skill. Boys from 6-14 may enroll in everything but swimming and charm. A mother-tot swim class (children 2½-5 years) is offered, as well as two adult swimming classes.

The program starts January 16 and will continue for 10 weeks. Advance registration is necessary as many classes are limited in enrollment. A medical examination, given at the branch by appointment, or by personal physician, is necessary. Mrs. Margaret Walter, Teen-age Program Director, is in charge of the Saturday Recreation program.

Some new evening classes to be offered at the Branch this term are "Foods with a Flair", a cooking class on Wednesday evenings, Investment Tips on Tuesday evenings, Graphoanalysis on Thursday evenings, and Lapidary (the art of gem-cutting) on Tuesdays or Thursdays. Other popular repeat classes are Square Dancing, Ballroom Dancing, Bridge, Drawing and Sketching, Driver's Training, Judo, Trimnastics and Sewing. These activities will begin the week of January 18 and preregistration is required.

Daytime activities include two Ladies-Day-Out programs on Tuesdays and Wednesdays with nursery care provided for preschool children 2½ to 5 years of age.

Women may enroll in trimnastics, cake decorating, charm, sewing, bridge, tincraft or drama on Tuesdays, and trimnastics, singing, for fun, knitting, charm, bridge, ceramics, millinery or china painting on Wednesdays. The program begins at 10:00 a.m. and continues until 3:00. A hot lunch is provided for the children, but the mothers bring a sack lunch. A noon program is featured each day. The enrollment in the nursery is limited so that the children may have a good pre-school experience. Mrs. Marie Lindeman is in charge of the Adult Program at the Branch.

The regular monthly coffee hour will be held Wednesday, January 13 at 10:00 at the Branch building. Members and friends are invited to attend this informal hour, when the Volunteer Leadership Committee, headed by Mrs. Gordon Nethercut, 19415 Patton, is the hostess group. An interesting movie on Formosa will be presented by Mrs. Roland Brown.
