Of the more than 6,000 expected drownings during 1960, there greater share will occur because the victims could not swim well enough to take care of themselves in an emergency, says the Institute for Safety Living.

To remove scorch spots: Scorch cannot be removed because it damages the fabric. To remove light scorch soak stain in cold water, treat with detergent, then use a bleach. Use fine sandpaper on heavy fabrics to remove damaged fibers.

Broiler prices will stay about as they were in May.

# Up'n Around Ridgewood And The Manor

LYNNE RICK

"A man's home is his castle," and din't Sunday prove it, dad's? We are sure all the fathers spent a very happy Father's Day and enjoyed every luxury a king deserves.

Mr. Martin spent the day on the golf green at Farmington Country Club, where he played in a Father's Day doubles tournament. Winning the first game, he and his partner were trying to make it two in a row. How did you do?

Spending Father's day fishing, Mr. Cameron and his son's, Jim, John, and Dick went to Puttin Boy for the week end.

ALSO SPENDING Father's Day out of town, were Al and Marion Rick and their youngest daughter, JoEllen. They left Saturday to spend Sunday with Al's father in Brookfield, Ohio.

George and Mary Moore pulled up stakes a week ago Sunday and flew to Chicago. Combining George's business with pleasure, the Moores spent a week and a half there, taking in shows as well as an shopping spree. On their return, Mary entertained twelve women from her card club.

Closing the school year on a happy note, Gary MacLean was inducted into Our Lady of Sorrows Honor Society. In order to receive this honor, the student must maintain a certain scholastic average. Congratulation!

Since the school children are out for the summer, they naturally look forward to their summer vacation. Tudy Licht and Paula Welsh especially, for they are leaving this week to spend two fun-packed weeks at the Girls CYO camp at Port Sanilac. Greg Licht is also leaving to attend the Boys CYO camp.

MARK AND RICHARD Allen begun their vacation too. They are spending two weeks visiting their grandmother in Wyandotte.

The Saint Raphael Circle of Our Lady of Sorrows Church met this past week at Irene MacKimon's home. The women again spent this monthly meeting sewing cancer pads.

Lighting may not strike twice in the same place and thank goodness.

Two of the residents in Ridgewood didn't exactly appreciate last Thursday's storm for their homes were struck. Lighting struck and destroyed Parson's stove and did some damage to the electrical wiring. Sullivans was the other home. Also, a few of the residents were planning on planting rice in their front and back yards because of the rain.

Confuciuos say, "What next"? Watch out for kids!
