"HE HAD A RIGHT TO KNOW"
A HOME OWNER ASKED ME THIS QUESTION:
I am thinking of selling my home. I want an experienced Realtor, who knows this area. What are your qualifications?
HERE WAS MY ANSWER:
I have been appraising and selling homes in Farmington and the surrounding area for the past 10 years — I have been appraising and selling homes for one of the largest companies in the United States for the past five years — who want facts (not malarkey, just fair appraising) plus other companies — who expect the same.
These companies buy the homes of the employees they transfer. It's a business, not wishful thinking. I am a realtor pledged to be fair and honest in all my dealings. I am a member of National and local Real Estate Boards. I am a member of Multi-List service. I do sufficient advertising to sell your home. — My associates are experienced Real Estate sales people who know how to show your home's best selling points — who can talk and get the best possible financing.
Real Estate with this office is a full time job. Our location is easy to find. If you feel all this is important to you and you are thinking of selling, buying, or relocating — Call us, we would like to talk to you.

Why stay home
Alone and blue,
When there is something coming
Just right for you!
Feb. 1 is the date
Of the musical comedy
That is just great.
It is called "Mr. Crane Of Sleepy Hollow."
And if you don't want to miss it,
The crowds you should follow.
In the Farmington Junior High Gym,
Is the place to be,
8 O'clock p.m.
Where a fine play you will see.
