Moving tips for families
who list their
homes with
Alger F. Quast
Before you pack that first item, it's a good idea to dispose of all those things you've been saving to use "some day." Old magazines, books, excess furniture, clothing, etc. cost money to move. Now is the time to sell or give them away.
And remember, when you list your home with Quast it's a good idea to start making your moving plans right away! Our list of prospective buyers and our active sales staff will assure you of the kind of fast action you want.
