Ticklers By George

"Wilbur's been taking his piano lessons seriously since we bought him a candelabrum. He's even named his dog "George" and taught it to wag its head instead of its tail."

More February Sap Reported By M. S. C.

Central Michigan operators of "sugar bushes" could have harvested 28 per cent more maple syrup this February than in February, 1953, if they acted on sap weather forecasts over Michigan State College's radio station, WKAR. That's the estimate of Prof. Putnam W. Robbins, MSC maple syrup specialist, based on the flow of the college maple trees.

Have time for shopping on washday..

ONLY Gas DRIES CLOTHES SO FAST... COSTS SO LITTLE TO RUN

Clothes drying is no longer a tiring all day job — not with an automatic gas clothes dryer. Clothes dry faster, soft and fluffy in half the time it takes by old-fashioned methods.

Don't fret about the weather either because you dry laundry inside where it's safe from wind and snow and soot and dirt.

The job is done quickly and easily. With an automatic gas dryer you'll have more free time for shopping and other activities.

STATE ACCEPTS FOUR NATIONAL 4-H PROGRAMS

The State Club office has accepted four national 4-H awards programs for participation of members in 1954, the National Committee on Boys and Girls Club Work has announced. The programs are Garden, Clothing Achievement, Poultry and Tractor Maintenance, in the last three of which awards have been changed.

In the 4-H Clothing program, four (formerly one) gold-filled medals of honor will be provided for winner in qualifying counties by the awards donor, Coats and Clark, Inc. As in the past, the state winner will receive an all-expense trip to the National 4-H Club Congress in Chicago. Also, 12 state winners selected for national awards will each receive a $300 college scholarship.

Instead of five sterling silver medal awards to county winners in the 4-H Poultry program, four gold-filled medals will be provided this year by the Tractor and Implement Division, Ford Motor Company. Awards of an all-expense trip to the National 4-H Club Congress in Chicago for state winners, and $300 college scholarships to ten national winners remain unchanged.

In the 4-H Tractor Maintenance program, the Standard Oil Foundation, Inc. (Chicago) will provide four gold-filled instead of sterling silver medals of honor as county awards. The state winner will receive an all-expense trip to the National 4-H Club congress as heretofore. The national awards, however, have been increased from eight to 12 $300 college scholarships.

Awards in the 4-H Garden program, which are provided by Allis-Chalmers, remain the same as last year -- four gold-filled medals of honor, an all-expense trip to the National 4-H Club Congress, and eight $300 college scholarships, to county, state and national winners, respectively.

All these national 4-H programs are supervised by the Cooperative Extension Service.

The V. F. W. Auxiliary card party will be held on Thursday, March 25, at the home of Mrs. Agnes Mather at 34015 Oakland in Farmington.

Looking Ahead

By DR. GEORGE S. BENSON

explained. Then he placed the beautiful capstone on his pyramid-like structure. In the granite-like face of the stone was inscribed: "The American Way of Life", and just below this, "Our Freedom". And in the corner of the capstone, the speaker thrust the stars and stripes, our Flag! Then he stepped back. The high school student body gave resounding applause.

This is a good way to define the American way of life to the school youngsters of our nation. And the definition it contains should be acceptable to all Americans of all ages.
