Would it be more Fun...
to mow your lawn if you were a user of Observer Classified Want Ads?

NO, it probably would not be any more fun, but it might be easier. Lawn mowing isn't exactly a "fun job" no matter how you look at it. But as with many other "bore chore" jobs which befall most of us, Observer Want Ads can be put to work to ease the burden . . . both physically and financially. How? Well, try these ideas for size:

- **TO BUY a used but useful mower which is better than the old one you are now using.**
- **TO SELL an item you no longer use to raise funds for a brand new, deluxe model mower.**
- **TO SELL the mower you now have to help pay for a better, newer one.**
- **TO HIRE a boy to cut the grass for you.**

OBSERVER WANT ADS are ambitious workers . . . ready to tackle hundreds of jobs which can make things easier for you. Placing your ad is a simple, pleasant experience. Just dial the Observer Want Ad number and a friendly, well trained ad secretary will help you.
