BUSINESSMEN

Income tax season makes us all cost conscious. If you are not using FARMINGTON SECRETARIAL AND TELEPHONE ANSWERING SERVICE, it's time to investigate our full time telephone secretary that takes your calls, types your letters, quotes, etc., makes both copies, mimeographing, sympathetically apologizes for late deliveries or service calls, handles your incoming mail, using the Business Center Building Address, and generally works as YOUR secretary. All of this on a "pay-as-you-go" basis, thus eliminates employee taxes, rent or salary — pay for service rendered at a service rate, and totally deductible.
