Male Help Wanted Male Help Wanted

FOREMAN

A highly motivated candidate is being sought to fill this position in our machine shop. The company, which is a Division of a large international corporation and located in a west suburb of Detroit, produces and sells automated packaging equipment nationally. The individual selected must be able to present a proven record and be experienced in all phases of machining including N/C. Of prime importance will be the ability to set and maintain standards of quality and control of the department. The individual we pick is presently functioning as a foreman in a small progressive plant or assistant foreman in a large size department. He is looking for a change that will allow him to contribute to a division's growth with his imagination, energy, and initiative. Submit resume with salary requirements to: Box 138 Observer Newspapers, 36251 Schoolcraft, Livonia, Michigan 48150.

We are interviewing and accepting applications for the following personnel:

QUALIFIED MACHINE BUILDER — Experienced in special machine building, capable of doing hydraulic and pneumatic piping.

HELPER — Capable of reading blue prints, mechanically inclined and equipped with job related tools.

BRIDGEPORT MILL OPERATOR — Capable of using machinist related tools and be self-equipped with related tools. Capable of reading blue prints, setting-up own work and be a self starter.

Liberal benefit program.
