CONSUMERS POWER is shown donating $25,000 to Madonna College to defray the costs of recent building projects. Sister M. Remigia, college registrar, and Thomas Devereaux, superintendent of marketing for Consumers, look on as Sister M. Danatha, college president, receives the check from Division Manager James Thomas.

Consumers Gives $25,000 To Madonna for Buildings

A $25,000 gift from Consumers Power Company was received by Madonna College, Livonia, to meet some of the costs of recent construction.

James Thomas, Division Manager for Livonia, presented the initial check of $10,000 to Sister Mary Danatha, president of Madonna. The remainder will be given in $7,500 donations for the next two years.

"After our evaluation of your building projects," Thomas said, "Consumers voted the gift to the college as a mark of faith in the growth and progress of a private institution and as an expression of pride in the work of a school serviced by its product.

"I would like to emphasize," continued Thomas, "that the gift is a contribution from each of the users of Consumers Power. We were instrumental only in channeling the funds to projects that indicate a good public investment."

James H. Campbell, president of Consumers, and Anson Hedgecock, vice-president, were instrumental in deciding the amount to be given to Madonna College.

Sister Danatha received the gift with an expression of gratitude.

"We are happy with the gift," she said: "This was a very generous gesture toward private education. Very recently we were discussing the possibility of a community cultural center. With this assistance from Consumers Power to meet our building debt, we can now look forward to the fulfilling of our dream in the near future. We hope this is the beginning of contributions from other sources."

Consumers Power has also appropriated funds for a one-year scholarship to Madonna College since 1964. This year's recipient is Jane Balwinski of Bay City.

Livonia Bank Pays Dividend To Shareholders

Livonia National Bank declared a cash dividend of 25 cents per share on its 50,000 shares of capital stock outstanding. This dividend is payable June 15 to stockholders of record June 1.

This is the second dividend to be paid during 1966 and reflects the continued growth and progress of the local bank, reports Elvin D. Dougherty, president.

He also stated that the complete remodeling of its main office at 33014 Five Mile is nearing completion and that an open house will be held in the near future for all customers who were so co-operative and patient while the remodeling was in progress.
