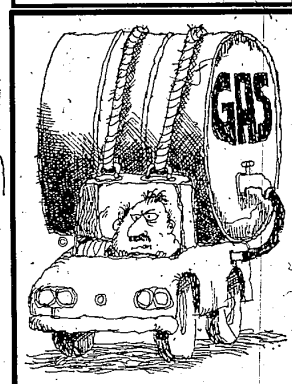
453-2424 • 425-2444



THERE'S A BETTER WAY TO GET MORE MILEAGE FROM A TANK OF GAS!

George Kolb's Tip of the Week:

If your car has an automatic transmission, it will upshift to the more economical higher gear ranges sooner with light accelerator pressure. With a manual transmission, you should upshift as soon as the car will run smoothly in the next higher gear.

'70 CAMARO
V-8, automatic transmission, vinyl roof, Persimmon with black vinyl roof, extra sharp. Low Miles, up to 18 MPG Only $1,995
