Nobody knows more about VWs than a VW dealer.
We know exactly what it takes to put a used VW into shape.
And we do it.
We give all our trade-ins the 16-point Safety and Performance Inspection.
If they pass, we guarantee 100% the free repair or replacement of all major working parts* for 30 days or 1000 miles. Whichever comes first. (If they don't pass, we fix what needs fixing before we guarantee them.)
These passed:
*engine • transmission • rear axle • front axle assemblies brake system • electrical system
