$2,899
-400
$2,499*

It's simple arithmetic. Marina is the best car buy in America.

No forms! No delay! The $400 comes right off the list price! And look at what the Marina has going for you. The gas saving MG engine that's good for over 20 miles per gallon. Plus there's four speed stick. Rack and pinion steering. Front disc brakes. Radial ply tires. Reclining bucket seats up front. And rear seat with a fold down passenger armrest. Plus lots of usable trunk space. And lots of goss. All standard. So test drive the Marina. Then compare it with other models and performance and anything else in the price range. That's the best way to find out why the '1974 Marina is the best buy in America today.

*Manufacturer's suggested retail delivered price. Excludes taxes, license, optional equipment and freight charges not set by MG.
