"THIS NEW VW...WILL SURELY SET STANDARDS FOR OTHERS TO MEET OVER THE NEXT FEW YEARS."

Scirocco. A hot wind from the Sahara. Scirocco. A hot new car from Volkswagen. Here's what Road & Track has to say about it. "The Scirocco is a modern, sophisticated car. A car that appears to be perfectly suited for our time. Lively accelaration with remarkable low economy. Crisp handling....The steering is light, cornering power is well into the sports-car range. A very good ride. There is no waste, not an ounce of fat on it, and yet it's exciting to look at, delightful to drive and technically fascinating."
