TRY OUT A FORD AT VOLKSWAGEN

Try out any of the cars people trade in for new VWs. We get all kinds but we don't sell them again just like that. We check them out first. Give them the 16-point Inspection. Fix whatever needed fixing. Then guarantee the repair or replacement of every major working part* 100% for 30 days or 1,000 miles. Whichever comes first. Incidentally, the guarantee comes with all our used cars. Even Volkswagens.
