Gallery Group Enlivens Wall

Here's some advice for the amateur decorator who'd like to dress up her living room walls with a gallery arrangement but is hesitant about how to go about the project.

"The grouping will be most successful if you first work out your plan on the floor," advises decorating consultant Mary Ann Wilis.

Among newest offerings are profile portraits of Abraham Lincoln and George Washington in decorated oval frames.

TV Today

by 'DOUG' RIDLEY

Men in politics are teleconscious men, especially the President. Television is global. It is perhaps the most powerful tool a President can command. More than ever before the President is in full view all over the world. The reasons for so much live coverage abroad is 1) European TV is technically advanced, and, 2) the Intelsat III communications satellite, which not only operates full time, but also sends high quality pictures in color. Enormous TV exposure can provide tremendous leverage to mold public opinion and if used effectively can be a great instrument of national leadership!

So when you are in the market for a new Magnavox television or stereo, be sure to come to BEECH TELEVISION, 26158 W. Six Mile Road, Detroit 40, KE 3-2626. We are the largest and finest Magnavox dealer and service center in the area. Our service center is located at 29457 W. Six Mile Road, KE 3-7480 and KE 3-7481.

HELPFUL HINT: Place a limp tape measure between sheets of waxed paper and press with a hot iron. Wax will stiffen tape.
