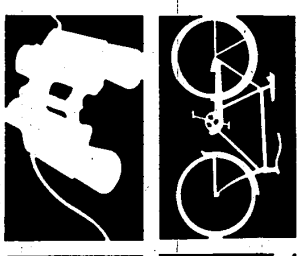
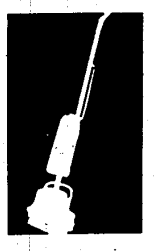
WE'LL PUT IT IN BLACK AND WHITE





If you're like most families, you've accumulated a lot of items throughout the years which you're no longer using. Good items . . . like the furniture you used when the children were little . . . or the recreational equipment you never seem to find time to use . . . or the household items for which you've acquired newer, more modern replacements.

Just because you no longer use these items doesn't mean they don't have value for some other family. In fact, they're being actively sought each day by people reading the Classified columns of this newspaper.

Why not exchange those items for cash? Give us a call. We'll help you word your low-cost ad and put it in print for you. That's the easy way to find a cash buyer. Why not make that call today?
