Luxury Apartment Living In Livonia

We could have announced this Deerfield Woods debut as just another "Grand Opening"...with all the customary claptrap that goes with such an "event." But we feel that resorting to contrived gimmicks that smack of the commonplace would be cheapening the product. The quality of Deerfield Woods Apartments is so superb; we feel it appropriate to merely announce this premier showing of these beautiful 1 and 2 bedroom apartments...and let you be the judge.

We are convinced that those discriminating individuals, looking for living accommodations in the Farmington Road-Seven Mile area, will readily recognize this high-quality, 144 unit apartment development, featuring a private pool and patio, as the most luxurious approach to housing that has happened to Livonia in more than a decade.

Come on out. See for yourself how we have combined modern luxury with old-fashioned quality, to bring you a genuinely elegant life-style that you can afford.

But do it this weekend...because we'd sooner have you for a satisfied tenant than an impatient member of our waiting list.
