LOOKING FOR NEW OPPORTUNITY AND NEW CHALLENGE
We NEED A Systems Analyst and Senior Programmer Immediately.
We are engaged in Marketing Services (packaging and distribution of printed literature, training and sales promotion programs and materials). Our volume is expanding, our organization is growing and our new services are calling for more and more support from data processing.
There is in this area a large number of individuals with successful EDP experience. We feel that some of this expertise would fit our requirements and that association with our kind of business could well be the break you have been thinking about. Our needs call for at least two years experience on Honeywell EZ CODER and COBOL, tape/disk system.
Don't say no—let us decide—you may have exactly what we are looking for and our offering may just fit your need or interest.
Write or call for confidential interview.
