Friends, Romans, Observerlanders ...

Good news travels faster these days. But you can bet your best toga that if the Romans had the use of the Observer want ad columns their messages would have made the rounds to more people a lot faster. And, their empire would probably have been around a lot longer.

Today's families do know about Observer want ads and are living better because of them. For these far reaching little ads help you get rid of those no longer wanted items ... and bring you extra cash at the same time. It's the extra cash that lets you have more of the things that make living fun.

So, if you have an old toga in your attic, give us a call. We will put Observer want ads to work for you right away. It's fun and it's easy, so give it a try. Just tell us what you have to sell and we can do the rest. Charge it, too.
