DEAR READERS,
I have opened a new oriental gift shop, Greta's Boutique, in the SONESTA INN HOTEL. I design most of the jewelry. I also have on display my own bronze work. They are originals, only one of each in the world. Everyone says it is different. I agree. They also say it is great work and again I agree. What do we do then? Of course, if you come out and look in store, we will be happy to have an opinion. This is an invitational.
Sincerely
Greta
