Be Strong

THE strong and vigorous man or woman is envied by less fortunate humanity afflicted with aches, pains, infirmities and ailments. The sufferer says, to himself, "If I could only be well, how happy I would be," for health is more essential to the joy of living than is wealth.

The kidneys almost literally wash the blood and keep it clean and free from impurities. When the kidneys are out of order, they fail to filter out the uric acid poisonous matter. It remains in the system to cause headache, rheumatic pains, sore muscles and stiff joints.

Foley Kidney Pills

help the system eliminate this poisonous waste. They actually strengthen and heal sore, weak and diseased kidneys and bladder. When the kidneys are working properly, clear urinary, refreshing sleep is possible, and health and strength come again.

C. W. Smith, 1205 No. 7th St., Salina, Kas., writes: "I am very much pleased with Foley Kidney Pills. I felt worse than a cord yard and have been very much troubled with my back. I have taken several doses of Foley Kidney Pills and they have already helped me."
