Don't take our word for it. You're welcome to come over to our lot and kick the tires. Or the shocks. Or the valves. Or if other places.

Because these are "Swedish Tested" used cars we're talking about. (Used cars tested the Swedish way.) Which means they've been inspected, tested in 22 critical points and, if necessary, repaired by our "Swedish Tested" mechanics.

Only the ones that pass get into our used car ads.
And quality for our 100% warranty. Which you can inspect when you come by.
