keep cool...

Why should you pound the pavement looking for furnishings for your cottage, camping equipment, or any other summer fun-type thing? Just prop up your feet, pour yourself a tall glass of something cold (with lots of ice), and "shop" in the OBSERVER CLASSIFIED section. Everything you want is there. And dialing the phone is a lot easier than going from a 102 degree car to a 97 degree sidewalk to a 60 degree air-conditioned store. We think you'll be a lot happier (and healthier) at home, with that drink, the phone, and the OBSERVER WANT ADS!
