MANAGEMENT
OPPORTUNITIES
To develop the largest service company ($150 million +) in your industry, you have to develop skilled managers. Our continued expansion has created the need for Branch and District managers. Those selected will benefit from our proven management development program prior to assuming full management responsibility. If you are honest, willing to work hard for big rewards, and have well developed leadership skills, you owe it to yourself to investigate this opportunity. Management experience in a service industry will be considered a big plus factor. We can offer you an initial salary in the high teens, depending on your education and experience. Once your training phase is over, your income potential will be limited only by your ambition and initiative. We provide a company car and all expenses. For prompt consideration, please send your resume or a letter outlining your education and experience and salary requirements to:
