Save $133* on your new car loan!

*Comparing Fidelity's 11.08 annual percentage with 12.82 annual percentage at most banks, the difference is $133.64. Rate shown is applicable to Fidelity customers only.

Typical example, $4500 loan: A new car with a cost of $6000 purchased under our 36 month, low monthly payment plan requires a 25% down payment of $1500. The balance of the purchase price, $4500, can be financed as follows:

36 mos. total finance charge is only $810 - Annual percentage rate is 11.08% with payments of $147.50 each. Total amount of note $5310.00
