ALL NEW 1980 DATSUN 200-SX IS HERE!

200-SX 2-Door Hatchback SL

It's gonna drive you like you've never been driven! Revolutionary new 4-cylinder, fuel-injected engine actually delivers more power from less gas than last year's 200-SX. Dedicated to every driver who'd love to watch the tachometer but has to watch the gas gauge. Combines styling and mileage.

28 / 40
EPA EST MPG / EPA EST HWY

Remember: Compare these estimates to the "estimated mpg" of other cars. You may get a different mileage, depending on how fast you drive, weather conditions and trip length. Also remember that your actual highway mileage will probably be less than the EPA estimated highway fuel economy.
