ANTIQUE ENTERPRISES, INC.

After 5 years of safely removing, transporting and delivering antiques and fine art objects we wish to thank the many loyal customers who have supported us. Our experience in handling your DRESDEN MEISSEN CHINA, MEISSEN MIRRORS and STUBEN CRYSTAL is executed only by our undisturbed record in safely conveying the hundreds of paintings, bronzes and wide assortment of delicate crafted pieces of furniture entrusted to us. Your satisfaction with our reasonable rates has sent us to 43 states. (Apparently antique collectors are not very sized by Mississippi, Wyoming or W. Virginia).

Next time you need reliable transportation of your treasures, deal with a small and growing firm that naively believes a customer is not unreasonable for asking for a precise time and date of delivery. Your prized possessions required a skill craftsmen to create them. Protecting them by engaging an experienced mover to move them frequently gives grief and money.

By-weekly trips to N.Y.C. make delivery of items to or from Gotham, quick, convenient and reasonable.
