OPPORTUNITIES
ABOUND IN
REAL ESTATE
Did you know that more ladies and men, who have never sold anything in their lives, are making more money in Real Estate than ever before? Women, whose families are raised, and who have had a desire to broaden their scope of life, as well as the want for some of its luxuries, are doing particularly well. Also men who have had good business background, and have been disrupted are doing outstandingly well.
If you want to earn from $10,000-$20,000 per year, you will want to associate yourself with one of the leaders in the field. Call Mr. Millar at KE 7-0080. Next class in Real Estate starts soon.

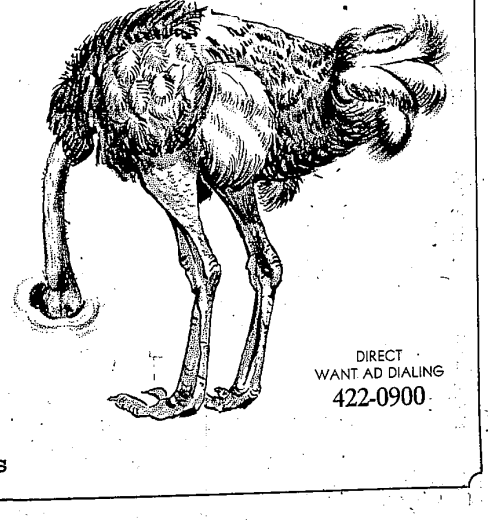
A Want Ad in the Observer
GETS RESULTS!



No mystery. Just sound, solid circulation plus built-in readership (your ad gets read, because people want to read it, in the Observer). The Observer reaches every family (more than 90,000 Wednesday and 70,000 Sunday) in Farmington, Livonia, Plymouth, Redford, Westland and Garden City. More coverage than all other weeklies in this area combined . . . more than the Detroit News and Free Press combined.

This will surprise you: the Observer is now among the top Twice-Weekly newspapers in the entire United States in Classified ad linage. And for only one reason: RESULTS.

That's why we say, "place your ad where you get results—in Observer Classified, biggest marketplace in Northwest Suburban Detroit."
