DESIGN ENGINEER
If you are a self-motivated, team oriented individual who can work with others, possesses strong verbal & written communication skills & is familiar with advancing quality requirements of the world's leading automotive industry, we have for the next individual to join our fast growing team. We manufacture high quality stampings & assemblies for the automotive industry.
We have an immediate need for a Design Engineer who is capable of assuming all responsibilities of the position with little or no training. This will require someone with a minimum of 2-3 years of CAD System experience, basic drafting skills including dpi metric tolerancing, and familiar with tools, fixtures and stamping associated with stamping operations. A degree in mechanical Engineering is not a must but would certainly be considered a plus. If this sounds like you, please forward your resume and a cover letter containing your salary history to:

DELWAL CORP.
P.O. Box 709,
Novi, MI 48050
