The Navy offers you more than just a job. The Navy offers you the training you want in over sixty skills-everything from advanced electronics to hospital corpsman, from machinist to nuclear power.
But more than a job, the Navy means the adventure of seeing places like Spain, Hawaii, Hong Kong and the Caribbean. It means you can be an expert on exciting technical equipment in our submarines, on our jets and in our ships.
And you get all the Navy benefits like earning 30 days' paid vacation each year.
